

Ms. Hanson,

I want to share with you this letter that my son Aldo received at Mater Dei.

I feel this is a reflection of what Aldo received at St. Pius and the great work you all do to prepare the students for high school. I only have positive things to say about St. Pius and I am very happy that Haniah has the opportunity to attend and receive the wonderful catholic education her brother did at Saint Pius.

Sincerely,

Amelia Loarza-Avila

CELEBRATING

50 YEARS
OF CATHOLIC EDUCATION

April 4, 2011

TO: Aldo Avila-Loaiza,

Congratulations on being admitted to the prestigious National Honor Society. You are admitted based not just on your excellent GPA, but mostly on the numerically high scores your teachers gave you in the four areas of Leadership, Character, Service and Scholarship.

Our formal candle lighting Induction Ceremony will be held in the Dr. Estelle Kassebaum Theatre at 6:30 PM Thursday April 7th. Male inductees are to wear a shirt, tie, suit or dress jacket and dark slacks with dress shoes; female inductees are to wear an appropriate dress or blouse with dark skirt and dress shoes.

You are expected to arrive for your assigned seating no later than 6:15 PM. Certainly your parents, other family members, and friends are welcome. A reception will follow this less-than-an-hour long program.

If you have any questions or comments, or especially if you are unable to attend, please let me know.

Thank you and congratulations once again.

Sincerely yours,

Thomas L. Hardin, Ph.D.
Director of Curriculum & Instruction
Chair of the National Honor Society Selection Committee
