NO TEST FOR ME THIS WEEK!

- ✚ The December Packet is due Dec. 20. The students work on this packet every Monday at the library for 20 minutes. If they do not complete the assignments, then the last week of the month they will have it for homework.

Other Announcements –

- I will be asking each student to submitted one scrapbook page about themselves (much like the soldier letter project). This page will then go into another scrapbook to be auctioned off. How fun it would be to remember their classmates by getting that book. Start thinking of your page and parents can help their child with this project. The auction is not till February, so you have time to think of what you want to put on your special page. Dec. 11 we will be working on our scrapbooks for the auction in the classroom. We have parent volunteers to help the students with their page.

Dates to remember:

Friday, December 20 is our Christmas program at 11:00 am. Everyone is welcomed!

Wishing you a very blessed Thanksgiving! May you enjoy time with your family and friends!.

Have a great week!
